RE: San Pedro Urban Greening Implementation Plan

Dear Larry:

I am pleased to inform you that the Coastal San Pedro Neighborhood Council adopted the following resolution supporting the San Pedro Urban Greening Implementation Plan:

Be it resolved, the Coastal San Pedro Neighborhood Council endorses the overall concept of the San Pedro Greening Plan set forth by Larry Smith of Atlas Green Works, and further, the Coastal San Pedro Neighborhood Council encourages that native plants be prioritized in future projects.

We look forward to working with you to make these proposals a reality.

Thank you for your work to improve our community.

Sincerely,

Douglas Epperhart, President
