Doug.

In response to your letter dated May 14, 2018 and received today, it is not possible to add a trolley stop for the following reasons:

1) The proposed trolley stop location is outside of our boundaries. Both state law and our contract with the City of LA prohibit us from providing services outside our boundaries. To clarify, we are a property based organization, funded by the property owners and must provide these special benefits to those who pay.

2) Each stop we add to the route adds time to the overall route. This summer we have added a stop at the SS Lane Victory. This added more time to the route so we will be monitoring this new stop during the summer months.

Thank you for your interest in our trolley. For your convenience, you can follow the trolley at sptrolley.com.

Kind regards,
