Re: Wilder's Addition Resolution

Dear Representatives:

At the August 20, 2018 Coastal San Pedro Neighborhood Council meeting, the Board approved the following resolution related to repairs to the coastal access staircase at Wilders Addition Park:

**Whereas**, the coastal access staircase at Wilders Addition Park is in need of repair by the City of Los Angeles; and

**Whereas**, that location is the sole visitor-serving coastal access point in 2.5 miles of shoreline;

**Therefore be it resolved**, the Coastal San Pedro Neighborhood Council urges the City of Los Angeles to proceed with all needed repairs to the coastal access staircase at Wilders Addition Park on an expedited basis to restore shore access and avoid violating the California Coastal Act; and

**Be it further resolved**, the Coastal San Pedro Neighborhood Council (CSPNC) requests that the City regularly report to CSPNC on progress of the repairs, beginning with an anticipated schedule.

We look forward to your reply. If you have any questions, please email us at [cspnclive@gmail.com](mailto:cspnclive@gmail.com).

Sincerely,

Doug Epperhart  
President

On behalf of the Coastal San Pedro Neighborhood Council Board
