At the December 20, 2022 meeting of the Coastal San Pedro Neighborhood Council, the Board approved the following resolution:

Re: Resolution to request revised STAP Request for Proposal.

Whereas, on August 16, 2021 the Coastal San Pedro Neighborhood Council approved a motion in opposition to the City's proposed designs in the digital bus shelter plan, including such features as digital billboards and package drop off, and further requested that new proposals be prepared, including a CEQA analysis,

Whereas, a one-year extension of the digital bus shelter contract has been proposed and should be approved at the December Board of Public Works meeting.

Therefore, be it resolved, the Coastal San Pedro Neighborhood Council recommends that the one-year postponement be used to write a new Request for Proposal that respects the environment, health, safety and privacy. (CF-20-1536 and Board of Public Works)

Sincerely,

Doug Epperhart, President
On behalf of the Coastal San Pedro Neighborhood Council Board
