**agenda**

- 1) Call to Order 6:30p.m.
- 2) Roll Call
- 3) Report from LAPD
- 4) Consideration of the following motion: Whereas, the "Sunken City" slides occurred 90 years ago, and not all of the large debris was removed from the slide area, and  
Whereas, people can legally walk on the beach beneath the slide, and people use the slide area even though Recreation and Parks and the City of Los Angeles has posted the site for no trespassing, and  
Whereas, continuous erosion is undercutting the bases underneath the large debris that remain and that debris WILL cascade down the slide to the beach area, and  
Whereas, when the debris falls, it is liable to cause physical harm, even death, to anyone legally walking underneath that cascade, now  
Therefore, the CSPNC requests that Recreation and Parks and the City of Los Angeles recognize the imminent threat to life and immediately remove the threatening debris that remains in "Sunken City."
- 5) Consideration of the following motion: Whereas there are a number of ongoing factors suggesting that the Department of Recreation and Parks may still be considering allowing one of their employees to use the Coastguard building as their primary residence, Resolved, Coastal San Pedro Neighborhood Council strongly opposes ANY use of the Coastguard building as a primary residence for any city employee, even on a temporary basis.
  - 4) Public Comment-Non Agenda Items
  - 5) Adjournment
