Re: Proposition HHH update requested

Dear Mayor Garcetti and Councilman Busacino:

The Coastal San Pedro Neighborhood Council adopted the following resolution on March 18, 2019:

Whereas, the Proposition HHH spending on housing to date and as planned would result in significantly less housing for people experiencing homelessness than expected,

Therefore, be it resolved the Coastal San Pedro Neighborhood Council requests the Council District 15 and Mayor's Office to require (1) the establishment of a group of knowledgeable persons responsible to define the minimum yield of housing units per \$100,000 invested and (2) that all future housing funded through Proposition HHH meet the minimum yield established.

We look forward to your response.

Sincerely,

Doug Epperhart
President

On behalf of the Coastal San Pedro Neighborhood Council Board
