- 9) HACLA's West Harbor Boulevard Improvement Project and Amphitheater – the following motion was approved (7-0):

WHEREAS, West Harbor Development presented development plans to the CSPNC Board and Stakeholder meeting on November 16, 2020, and stakeholders in San Pedro are deeply concerned about noise pollution coming from West Harbor, particularly from the amphitheater, as well as the impact on the environment and quality of life.

WHEREAS, Documentation from developers, including environmental impact statements, coastal development permits, and other developmental certification documents, including applications, would assist the community in discussing the noise impacts of the West Harbor property. A neighborhood council is charged with connecting the needs of the community with the government in an effort to ensure that the City government remains responsive to the different needs and lifestyles of communities. As such, CSPNC wants this documentation to discuss with stakeholders, and ultimately to discuss the development of West Harbor with the City and other agencies if necessary.

THEREFORE BE IT RESOLVED, CSPNC seeks that West Harbor developers urgently involve CSPNC and commit to involving the needs of the community in their planning process by providing planning documentation, environmental impact statements, coastal development permits, and other pertinent governmental certification documents, including applications, for this purpose.
- 10) LOTS E + F, 22nd Street- POLA – the following motion was approved (6-0-1):

WHEREAS, Lots E + F is located on the north side of 22nd Street between Miner and Sampson Way in the POLA. It is approximately 4 acres of unused open space and will be for some time especially during two more years of construction at Ports O' Call.

WHEREAS, San Pedro immediately needs a safe and clean space away from the sidewalks for the homeless encampments. There are no portable toilets for the homeless that live along Beacon street between 7th Street and Crescent Ave, Gulch Street, Palos Verdes Street, 8th Street, 9th Street, and Pacific Ave between 19th- 17th Streets.

THEREFORE BE IT RESOLVED, The CSPNC urgently requests in the spirit of "we're all in this together" to allow the EMERGENCY TEMPORARY USE of lots E + F for the homeless that camp along our streets in San Pedro. And that the Port and/or the city will provide two or more portable toilets, as needed, and 6 trash cans to be emptied and toilets pumped on a weekly basis, and that LAPD and the Port Police will work in tandem to ensure that these homeless encampments will no longer be allowed on San Pedro's streets and parkways because of this new location at Lots E + F.
