Recognition of SPHS Senior Rebecca Hudson: Brought by Matt Matich:

The last time Coastal San Pedro Stakeholder Rebecca Hudson missed a day of school, she was a student at Dana Middle School and George Bush was the President. Since that time she has become an example of commitment, consistency, and incredible dependability. Rebecca is now a senior at San Pedro High School. She has spent her high school years representing her community as a member of

the Pirates Drill Team. She's a busy teenager with a lot going on; but *nothing* interferes with her going to school. And this is why the Coastal San Pedro Neighborhood Council is honoring her: Rebecca Hudson has not been absent from school in the past 7 years! An incredible accomplishment. She has a 3.0 GPA and after graduation plans to attend Harbor College before transferring to Fullerton to pursue a career in Nursing. She has an amazing work ethic to continually produce a perfect attendance track record year after year. The Coastal San Pedro Neighborhood Council is honored to recognize Rebecca Hudson for this impressive achievement; but also to recognize her inner personal qualities and character which fueled this feat because that's the stuff that will pave the way to a successful future.

Motion #1 Re: Cabrillo Beach Youth Water sports Center

The following motion was brought forth from the Agenda Committee by Bob Gelfand; Seconded by: D. Pentcheff:

Whereas, the community of San Pedro has for years made clear its interest in opening the area known as the Cabrillo Beach Youth Watersports Center at 3000 Shoshonean Road to the public; and

Whereas, the Coastal San Pedro Neighborhood Council has a history of resolutions reflecting that sentiment; and

Whereas, the Port of Los Angeles's RFP for that site has been released in the absence of public input; therefore

Resolved, the Coastal San Pedro Neighborhood Council demands that the City of Los Angeles and the Port of Los Angeles suspend the RFP process and open a process for public input to determine the will of the community for the future of the Cabrillo Beach Youth Watersports Center at 3000 Shoshonean Road.

Leslie Jones of the LA Dragon Boat Team talked about the current use of the property and how it benefits the youth. They would like to keep their team at that location. Bob Gelfand questioned whether there should be an RFP at all since this should become a public facility. The Central San Pedro Neighborhood Council passed a motion asking for a 120 day moratorium. Peter Warren stated that he had read the entire 150 page document and did not see any mention of the public having input in the RFP process. Louis Dominguez provided some additional background information on the Boy Scout Camp. **After discussion the above motion was passed with 7 yes votes (Baeza, Bettis, Burich, Dimon, Shirley, Smith, Warren); 2 no votes (Dominguez, Vidovich); 0 abstentions.**

Passed, 3 yes (Healy, Nagle, Smith), 2 abstention (Baeza, Dimon)

Whereas, Sunken City officially has been closed off to the public by a high iron fence for over a decade, and

Whereas, Sunken City has become a very attractive nuisance appealing to those who “seek adventure” in Los Angeles, being advertised in *Hidden Adventures in Los Angeles*, and

Whereas, the citizens who live next to Sunken City are subjected to vandalism, harassment, noise and pollution, especially at night, and

Whereas, Sunken City has become a prime target for graffiti, and

Whereas, the City of Los Angeles has claimed in court that it has no liability for accidents at Sunken City, and

Whereas, policing of Sunken City is a continuing expense to Los Angeles but has not been effective enough to stop trespassing or accidents, and

Whereas, a committee of the Point Fermin Residents Association has met with both its senior lead officer Eve Wight, members of Council District 15, and the Coastal San Pedro Neighborhood Council has had a verbal report from the Los Angeles Recreation and Parks staff about the closure of Sunken City, and Recreation and Parks to discuss these issues, and

Whereas, the Sunken City Committee wants changes to the LA City policies regarding Sunken City to change the use of Sunken City from a negative one to one of inclusion and benefit to the whole community, now therefore,

The Coastal San Pedro Neighborhood Council (CSPNC) requests a meeting with the Los Angeles City Attorney to discuss liability issues at Sunken City, and

Further, the CSPNC requests the most recent geological studies of Sunken City be shared with the CSPNC, the Point Fermin Residents Sunken City Committee and the relevant committees of the CSPNC.

B1. Motion to immediately replace Bylaws Article VIII Section 3. Notification with the text of DONE Policy Number 2014-01 regarding posting of meetings

Motion from Rules and Bylaws Committee

SR1. Motion to create a new Standing Rule on Grievance Process

Whereas, the Department of Neighborhood Empowerment promulgates a reasonable set of procedures in its suggested Bylaws Template of 12 April 2011; and

Whereas, it is desirable that the Coastal San Pedro Neighborhood Council have a clearly documented grievance process; therefore

Resolved, the Coastal San Pedro Neighborhood Council shall create a new Standing Rule to document its grievance process, using content adapted from the Department of Neighborhood Empowerment's "Neighborhood Council Bylaws Template Language April 2011":

This grievance process is intended to address matters involving procedural disputes, such as the Board's failure to comply with Board Rules or these Bylaws. It is not intended to apply to Stakeholders who merely disagree with a position or action taken by the Board at one of its meetings, which grievances may be aired publicly at Board meetings.

Board members are not permitted to file a grievance against another Board member or against the Board.

Any grievance by a Stakeholder must be submitted in writing to the Board who shall cause the matter to be placed on the agenda for the next regular Board meeting.

At that meeting, the Board shall refer the matter to an Ad Hoc Grievance Panel comprised of three (3) Stakeholders randomly selected by the Board from a list of Stakeholders who have expressed an interest in serving from time-to-time on such a panel.

Within two (2) weeks of the panel's selection, the Board shall coordinate a time and place for the panel to meet with the person(s) submitting a grievance to discuss ways in which the dispute may be resolved.

Within two (2) weeks following such meeting, a member of the panel shall prepare a written report to be forwarded by the Secretary to the Board outlining the panel's collective recommendations for resolving the grievance. The Board may receive a copy of the panel's report and recommendations prior to a Board meeting, but, in accordance with the Brown Act, the matter shall not be discussed among the Board members until it is heard publicly at the next regular Council meeting.

SR2. Motion to create a new Standing Rule permitting use of a consent agenda

Whereas, it is often convenient and efficient to group non-controversial agenda items together for consideration with a single vote at Board meetings; and

Whereas, such use of a "consent agenda" or "consent calendar" should be authorized by a Standing Rule; therefore

Resolved, the Coastal San Pedro Neighborhood Council shall create a new Standing Rule to authorize the use of a consent agenda:

A consent agenda containing multiple motions may be part of the Board Meeting agenda. Any item may be removed from the consent agenda at the request of any Board Member or stakeholder present at the meeting. Items not removed may all be adopted by a single vote without debate.

Motion from Rules and Bylaws Committee

SR3. Motion to create a new Standing Rule recommending that a standing Board should, at its last meeting, schedule a Special Meeting of the newly elected Board solely for the purpose of electing officers and committee chairs.

Whereas, it is very difficult for a newly elected Governing Board to begin operations in the absence of officers and committee chairs, leading to a long lag before being able to conduct business; therefore

Resolved, the Coastal San Pedro Neighborhood Council shall adopt a new Standing Rule:

At its last meeting, a standing Governing Board should schedule a Special Meeting for the earliest practical date for the newly elected Governing Board to select officers and appoint committee chairs.

SR4. Motion to amend the Standing Rules to indicate that committee chairs and members serve until replaced, and recommending that a newly elected Board reconsider all chairmanships and memberships.

Whereas, the Coastal San Pedro Neighborhood Council (CSPNC) has no Bylaw or Standing Rule describing the terms of committee chairs and member appointments; and

Whereas, the CSPNC has traditionally reconsidered all committee chair and member positions at the first meeting of newly elected Governing Boards; therefore

Resolved, the Coastal San Pedro Neighborhood Council shall amend its Standing Rule on “Organization and Composition of Committees” as follows (text to be inserted in **boldface**):

Standing committees of the Council shall have at least three members, at least one of whom shall be a member of the Governing Board. Committees shall require a quorum of three to transact business. Committee members will be appointed by the Governing Board and must be ratified by the Board in order to vote at committee meetings. The Governing Board shall elect committee chairpersons. **The Governing Board should appoint all committee chairs and members annually at the first meeting of a newly elected Board. Committee chairs and committee members serve until replaced by the Governing Board.** State of California and City of Los Angeles conflict of interest and ethics rules shall apply to members of standing committees with regard to voting and other duties they perform as committee members. The president shall be considered a member of the committee for purposes of determining a quorum and casting votes.
