**Subject: RESOLUTION REGARDING SAFETY AND NUISANCE CONCERNS  
AROUND COASTAL SAN PEDRO PARKS AND COASTAL ROADS**

Dear Representatives:

Please be advised that at a regularly held public meeting of the Coastal San Pedro Neighborhood Council Board, the Board approved and adopted the following Resolution:

*Resolved*, the Coastal San Pedro Neighborhood Council Board asks that the Los Angeles Department of Transportation and the Los Angeles Police Department work together on an immediate solution to prevent or mitigate the continual nuisances, including such things as late night partying in our highly visited, multiple coastal parks, as well as street racing and burning donuts on the adjacent coastal streets, etc., which significantly impact the safety and quality of life for residents and visitors alike.

*In addition*, we strongly recommend that the Los Angeles Police Department put a TEMPORARY substation near Pt. Fermin Park, to better control these serious and ongoing safety and nuisance concerns.

*Also*, the Coastal San Pedro Neighborhood Council will conduct outreach to the community to encourage people to call 911 when such activities are occurring, which provides you with a paper trail and more support to address these nuisances.

Thank you, and please don't hesitate to contact Board Member Robin Rudisill (Chair of the Land Use, Planning & Transportation Committee) at (310) 721-2343 if you have any questions in this regard.

Sincerely,

Doug Epperhart, President  
On behalf of the Coastal San Pedro Neighborhood Council Board  
cc: Councilman Joe Buscaino, Noel Gould, Chair Coastline Parks Committee.
