## **8. Motion opposing digital billboards in Los Angeles (Council File 11-1705).**

### *Planning and Land Use Committee*

*Whereas*, Digital billboards are an imminent threat to neighborhoods;  
Digital billboards are dangerous to drivers and the pedestrians and cyclists who share the streets;  
No billboard should be erected without the input approval and opt-in of local residents;  
Digital billboards are known contributors to congestion; and  
The incessant blinking of digital billboards causes disruption in human and wildlife sleep patterns and can lead to a host of maladies;

*Therefore be it resolved that* the Coastal San Pedro Neighborhood Council recommends that the Los Angeles City Council vote no on Digital Billboards (Council File 11-1705).

*CIS to Council File 11-1705*

## **9. Motion opposing City of Los Angeles Vacation Rental Ordinance (CPC-2019-7045-CA).**

### *Planning and Land Use Committee*

*Whereas*:

Taking up the Vacation Rental Ordinance in the face of the current severe housing and homelessness crisis is unconscionable;

We do not believe our leaders should spend valuable time and resources exploring a vacation rental policy under which people are allowed and encouraged to hold mostly vacant homes off the long-term market and keep them for short-term rentals;

The proposed Vacation Rental Ordinance is essentially a giant loophole of the Home Sharing Ordinance (HSO) to favor the wealthy who are able to afford second homes;

The proposed Vacation Rental Ordinance is a conflict of laws, as the HSO was specifically created to limit short-term rentals to one's primary residence; in fact, the original City Council motion for the HSO specifically stated that the City should “prohibit hosts from renting units or buildings that are not their primary residence.”

The proposed Vacation Rental Ordinance is simply a mechanism to undercut the years of work and compromise reflected in the HSO; and

There is no practical way to enforce the provisions of the proposed Vacation Rental Ordinance;

*Therefore Be It Resolved that* the Coastal San Pedro Neighborhood Council recommends denial of the City of Los Angeles proposed Vacation Rental Ordinance (Council File 18-1246).

*CIS to Council File 18-1246*

**10. Motion opposing State Senate Bill 50 (Council Files 18-1226-S1 and 19-0002-S38).**

*Planning and Land Use Committee*

*See attachments.*

*Whereas* Senate Bill 50, as currently proposed, would forever significantly, adversely, and irrevocably alter the Coastal Zone communities, and as San Pedro is designated in the Coastal Plan as a “Special Coastal Community” to be protected under the California Coastal Act,

*Resolved*, the Coastal San Pedro Neighborhood Council recommends opposition to Senate Bill 50, particularly in the Coastal Zone areas.

*CIS to Council Files 18-1226-S1 and 19-0002-S38*

**11. Motion opposing procedures proposed by the Board of Neighborhood Commissioners for censure and removal of Neighborhood Council Board Members.**

*[Administrative Operations Committee]*

*See attached procedures proposed by the Board of Neighborhood Commissioners for censure and removal.*

*Whereas*, the intent of the City Charter empowering Neighborhood councils is to enable them to devise and implement their own bylaws as a way of reflecting the diversity of interests in our city; and

*Whereas*, any Neighborhood Council is already empowered to adopt censure and removal procedures if they wish; therefore

*Resolved*, the Coastal San Pedro Neighborhood Council opposes the imposition on all Neighborhood Councils of the policies on censure and removal proposed by the Board of Neighborhood Commissioners without the explicit adoption of those procedures by a Neighborhood Council; and

*Further resolved*, we call on our Board of Neighborhood Commissioners representative to oppose these proposed policies.

**12. Motion opposing additional mandatory training of Neighborhood Council Board Members proposed by the Board of Neighborhood Commissioners.**

*[Administrative Operations Committee]*

*See attached procedures proposed by the Board of Neighborhood Commissioners for additional mandatory training.*

*Resolved*, the Coastal San Pedro Neighborhood Council opposes any additional mandated training of officers, committee members, and Board Members as proposed in the Board of Neighborhood Commissioners motion on Neighborhood Council Leadership Orientation; and

*Further resolved*, the Coastal San Pedro Neighborhood Council supports the creation of voluntary training.

**13. Motion recommending clarification of procedures proposed by the Board of Neighborhood Commissioners for dispute resolution.**

*[Administrative Operations Committee]*

*See attached procedures proposed by the Board of Neighborhood Commissioners for a dispute resolution process.*

*Resolved*, the Coastal San Pedro Neighborhood Council recommends that the Board of Neighborhood Commissioners should include language clarifying that the proposed dispute resolution process is entirely voluntary.

### 284 \* PART IV: PLAN MAPS AND REGIONAL SUMMARIES

#### SOUTH COAST REGION

In the South Coast Region - the most urbanized region of the coastal zone - the prime coastal concerns are the need for meeting vast recreational demands, protecting and restoring the last remaining natural lands and waters, and protecting the unique and valued coastal neighborhoods from Malibu to Laguna.

South Coast Resource Management Area.1 The historic character and function of Malibu as a recreational and resort destination and the need for recreational areas close to the large urban population of the Los Angeles Basin are reflected by the inclusion in the resource management area of the entire Malibu coast up to the ridgeline (drainage divide) of the Santa Monica Mountains.

Along the developed section of the south coast shoreline between the Santa Monica Mountains and Orange County, the line narrows to follow the nearest roads adjacent to special coastal neighborhoods (e.g., Venice, San Pedro, and Naples1Belmont Shores), major coastal recreation areas (e.g., Marina del Rey and Alamitos Bay), areas where the cumulative impact of development could exclude or hinder access to the shoreline (e.g., Redondo Beach), and remaining habitat resources (including potential restoration areas such as the Bolsa Chica wetlands in Northern Orange County.). The management area extends inland to 1-405 to include designated Santa Ana River greenbelt areas with high public recreation value. Further south, the management area includes the immediate drainage area of Upper Newport Bay inland to 1-405. The Irvine Company's open property is included because of its importance in planning how to meet recreational and open space needs in the heavily-developed surrounding area. The resource management area also incorporates the Laguna greenbelt, a valuable habitat and open space area designated for protection by both Orange County and the City of Laguna Beach; the last major open areas along the southern Orange County coast (AVCO headlands, Dana Point Headlands, Dana Point Palisades, and the Reeves Ranch property in San Clemente seaward of 1-5); and productive coastal agricultural lands to the ridge-lines on each side of the Capistrano Valley up to five miles inland.

All of the area of Santa Catalina and San Clemente Islands is also included in the resource management area because of their sensitivity to development impacts.

#### Section 30253 Minimization of adverse impacts

New development shall do all of the following:

- (a) Minimize risks to life and property in areas of high geologic, flood, and fire hazard.
- (b) Assure stability and structural integrity, and neither create nor contribute significantly to erosion, geologic instability, or destruction of the site or surrounding area or in any way require the construction of protective devices that would substantially alter natural landforms along bluffs and cliffs.
- (c) Be consistent with requirements imposed by an air pollution control district or the State Air Resources Board as to each particular development.
- (d) Minimize energy consumption and vehicle miles traveled.
- (e) Where appropriate, protect special communities and neighborhoods that, because of their unique characteristics, are popular visitor destination points for recreational uses.

## Proposed Removal Policy

Whereas the Board of Neighborhood Commissioners has conducted a number of Town Hall meetings around the City;

Whereas the Board of Neighborhood Commissioners has been told of many instances where Neighborhood Councils have experienced repeated disruptive conduct by Neighborhood Council board members;

Whereas Neighborhood Councils have often had to rely on other governmental agencies to address these situations;

Whereas Neighborhood Councils have experienced instances where efforts, including Censure have failed to resolve such situations;

Whereas any process for addressing these situations should be uniform and predictable across the entire Neighborhood Council system;

Whereas the Board of Neighborhood Commissioners desires to institute a policy that includes openness, fairness, and a proper degree of procedural due process and that provides consistent guidelines;

NOW THEREFORE, IT IS RESOLVED THAT the Board of Neighborhood Commissioners establishes this policy for the Removal of offending Neighborhood Council Board members:

### POLICY NUMBER 2019 –

Any Board member may be removed by the Board for cause, following a good faith determination by the Board that the member has engaged in conduct that is contrary to rules and regulations applicable to the Board or that impedes the orderly business of Board operations. A Board member shall not be subject to removal under this Section unless the member has been censured at least once pursuant to the Censure Policy. Grounds for removal include, but are not limited to, persistent disruptive conduct at meetings, violations or abuses of the Board's bylaws or rules, violations of the Code of Conduct, acting on behalf of the Board without authorization, and misuse or abuse of the censure or removal processes. The Board shall use the following procedure when removing a Board member:

1. A motion to remove a Board member may be initiated by (3) Board members. The proposed motion shall be delivered to any officer of the Board or a specific officer or member of the Board as may be specified in the bylaws or standing rules of the Neighborhood Council. The motion shall be in writing and provide the specific facts and grounds for the proposed removal action including the date and specific conduct relied upon for the motion. The motion shall not be conclusionary-, eg "for alleged violations of the Code of Conduct", but shall be a factual statement that describes conduct only and is not intended to embarrass or humiliate the board member. The motion to remove shall also include a copy of the prior censure motion and the date it was passed.

2. The Board member, group of Board members or committee responsible for writing the agenda shall list and briefly describe the motion on the agenda -of the next regular or special Board meeting scheduled at least thirty (30) days following the delivery of the proposed removal motion.

3. The Board member subject to removal shall be given a minimum of thirty (30) days prior written notice, which may include email sent to the last email address on file with the Neighborhood Council, of any meeting at which a motion to remove will be heard. The notice shall provide the specific facts and grounds for the proposed removal as specified in 1 above. The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to any meeting at which a motion to censure will be considered.

4. The Board member subject to removal shall be given reasonable time to be heard at the meeting, either orally or in writing, prior to the Board's vote on a motion for removal.

5. The Board shall decide whether or not the Board member should be removed by an affirmative vote of two-thirds (2/3) of the Board members. The Board member who is the subject of the removal motion shall not be allowed to vote. For the purpose of the removal motion, abstentions shall not be counted as votes.

6. In no event shall a motion to remove a board member be heard by the Neighborhood Council within sixty (60) days of the next election or selection.

7. The Board of Neighborhood Commissioners shall review a Neighborhood Council's removal decision if requested to do so by the affected Board member. Once the request is made for the Board of Neighborhood Commissioners to review the decision to remove, the Neighborhood Council voting to remove the board member may not fill the vacancy created by the removal until the Board of Neighborhood Commissioners has made a decision on whether the removal was proper or the Board of Neighborhood Commissioners declines to review the matter. The Commission's decision whether to hear or decline the removal review shall be sent in writing to the requestor within 30 days after the request for review is delivered.

a. The request must in writing and must be delivered to the Executive Assistant of the Commission or, in the absence of an Executive Assistant, to the President of the Commission within thirty (30) days of the date of the action by the Neighborhood Council to remove the Board member.

b. The request must state the basis for the review. The request shall not cite or present any evidence not considered by the Neighborhood Council, but must address only procedural deficiencies.

c. If the Commission agrees to hear the review it will be placed on the agenda of a regular or special meeting within sixty (60) days of receipt of the request for review.

d. At the review the Commission will determine if the facts as presented support the removal motion and if the procedures set out in this policy were correctly applied.

- |
- e. If the Commission determines that there were either procedural deficiencies, the Commission may either reinstate the Board member or return the matter to the Neighborhood Council for further consideration.
  - f. If the Commission returns the matter for further consideration and the Neighborhood Council does not act within sixty (60) days of the Commission's decision the Board member will be considered reinstated.
