Please note that under the Brown Act, the assembly is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future meeting. Those wishing to make comment, but not wanting to speak publicly, may submit written communications to the Board.

1. Public comment on non-agenda items.
2. Call to order.
3. Motion recommending improvements to Gaffey Street Overlook.

Whereas, the Gaffey Street Overlook parking lot at 35th Street has been a long-time public nuisance, as people stay past curfew hours well into the early morning. Based on Los Angeles Police Department (LAPD) reports, it is a constant source of illegal activities, which include drugs, alcohol, assault, vandalism, trespassing, robbery, gunshots, intoxication, DUI's, stabbings, even murders, indecent exposure, drug overdoses, suicides, fireworks

and car-party noise including blasting mega sound systems. The trash that is left there includes condoms, human excrement, nitrous oxide balloons and hypodermic needles. It is also a preferred area for vehicle road racing and donut tire skidding marks due to the additional width of Gaffey Street at that location. Gaffey Street is approximately 88 feet wide at the parking lot, compared to the normal Gaffey Street width of 47 feet, which includes parallel street parking on both sides, and

Whereas, LAPD has complained that when, on occasion, they clear the parking lot during the posted closure hours of 10:30 pm to 5:30 am, as soon as they clear the parking lot and leave, the party people are all back.

Therefore Be It Resolved, in order to improve the quality of life for nearby residents and provide night time security and road safety, the Coastal San Pedro Neighborhood Council urgently requests that the Gaffey Street Overlook be physically and aesthetically modified so that the parking lot can be locked in three places by LAPD at the posted curfew of 10 pm, to be opened by the Department of Recreation and Parks at 5:30 am the following morning. The post and cable system — see attached rough drawing — or other alternative ideas would be installed at the consistent 47 foot wide street width, allowing for the normal flow of traffic as well as for additional off-street parallel parking inside the barrier that would improve access for visitors to the Gaffey Street Overlook.

4. Public comment on non-agenda items.
5. Adjournment.
