PUBLIC INPUT AT NEIGHBORHOOD COUNCIL MEETINGS — The public is requested to dial *9, or use the Raise Hand option, when prompted by the presiding officer, to address the assembly on any agenda item before action is taken on an item. Comments from the public on agenda items will be heard only when the respective item is being considered.

Comments from the public on other matters not appearing on the agenda that are within the assembly's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the assembly is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future meeting. Public comment may be limited to a fixed time per speaker or a limited number of speakers by the presiding officer of the assembly. Those wishing to make comment, but not wanting to speak publicly, may submit written communications to the Board.

AB 361 Updates: Public comment cannot be required to be submitted in advance of the meeting; only real-time public comment is required. If there are any broadcasting interruptions that prevent the public from observing or hearing the meeting, the meeting must be recessed or adjourned. If members of the public are unable to provide public comment or be heard due to issues within the Neighborhood Council's control, the meeting must be recessed or adjourned. Any messaging or virtual background is in the control of the individual board member in their personal capacity and does not reflect any formal position of the Neighborhood Council or the City of Los Angeles.

AGENDA

1. Public comment on non-agenda items
2. Call to order and roll call
3. Motion to recommend to state redistricting commission that all of San Pedro be included in single State Assembly, Senate, and Congressional districts and not be split between districts.

4. Adjournment

Motion to recommend to state redistricting commission that all of San Pedro be included in single State Assembly, Senate, and Congressional districts and not be split between districts.

Whereas, that portion of the City of Los Angeles known as San Pedro has existed for nearly 150 years as a compact and diverse community united through common civic and economic interests; and

Whereas, the people of San Pedro would suffer by separating the community amongst more than one district, thereby disuniting and making greater the effort necessary to exercise the will of the body politic;

Therefore, be it resolved, the Coastal San Pedro Neighborhood Council urges the California Redistricting Commission to respect the boundaries of San Pedro and adopt district maps that maintain the integrity of the community.
