Proposal Narrative

The project is to accentuate the thoroughfare from South Pacific and Bluff Place to Cabrillo Beach area. Bluff Place at Land's End Pacific is an ideal location to engage neighbors to the Art Activation initiative. The backdrop of the location views the ocean with visibility of Catalina Island, Port of Los Angeles and Long Beach.

The Art Activation activity will be an ideal approach to engage locals to family friendly art and crafts, music, accentuating the beauty of the ocean and an interactive appeal for the arts allowing creative design of the participant.

Additional interaction will be board game tables that will be added effort to gain community engagement to enjoy games at the proposed location such as cards, chess, checkers, and dominoes.

The project coordinator is Irene Ratliff and will participate as an artist with arts and craft activities for rattle (maracas) painting and card making for Father's Day.

Aware of the proposed activity at the street location is Coastal San Pedro Neighborhood Council and City of Los Angeles Council District 15 and District 8.

The activity will be Sunday, June 21, 2020

Sae Day Community inclusion and activities will start at 11 a.m. to 3 p.m.

The area will be sectioned off around 10 a.m. at Shepherd and Pacific, Pacific and Bluff Place at Land's End-Pacific 4025-4087 Bluff Pl, San Pedro, CA.

Pedestrians will be access/travel the street from Point Fermin Park to Cabrillo Beach and the art activation will be the middle point for the passersby.

DJ Music will be the inviting point for public activity for the Sunday activity for passersby and pedestrian enjoying the day accessing Cabrillo Beach and Point Fermin Park.

Street Meet Company

There will be Game Tables and arts and crafts to engage participants. Added value for Father's Day to make Father's or Man Day cards.

The park back is accessible for people to enjoy the view, breeze and summer sun while being entertained with music and interactive art and game activities.

Currently, there are two persons participating with the activity. If you know additional persons interested in volunteering and/or interested in performing and/or sharing their artistic value ... they are welcome to Sae Day on Bluff Place at Land's End – Pacific.

Your letter of support will grant submission of the application for the “Arts Activation Fund”
Thank you and look forward to Sae Day.

Sae,

Irene Ratliff
